**Safe Environment Program:**

**For the 2023-2024 Religious Education year. Teaching Safety – Empowering God’s Children Opportunity to "opt your child out" of the *Teaching Safety - Empowering God’s Children* program.**

Church of the Holy Family Religious Education will present a sexual abuse prevention program, the *Teaching Safety Empowering God’s Children* program, to our students during their class times, during their chosen program. The creators of the *Protecting God’s Children* program developed the *Teaching Safety - Empowering God’s Children* program. This program is provided to us by the Diocese of Camden, and is part of our ongoing effort to help create and maintain a safe environment for children and to protect all children from sexual abuse.

The scheduled lessons will be sent home via email along with a form to be completed and returned to the Religious Education office. Parents will have the opportunity to view the lessons and present the lessons to your child/children if you feel it is appropriate.

As a parent, you have the right to choose whether your student participates. If you have questions about the program or lesson, contact Irene Clark at 856-228-2215 or [iclark@churchoftheholysfamily.org](mailto:iclark@churchoftheholysfamily.org).
